**COMMENTS:**

Under the Government Code, this bill would require the Trade and Commerce Agency (TCA), when reviewing and ranking enterprise zone applications, to give special consideration or bonus points, or both, to applications that meet two of three specified criteria.

The January 5, 2000, amendments deleted the Revenue and Taxation Code provisions. This bill no longer impacts the department's programs and operations or state income tax revenue.

The January 3, 2000, amendments adopted the provisions discussed in the department's analysis of the bill as proposed to be amended.
